

We were there: Flow Affair

Posted in [Gay & Lesbian](#) by [Beth Greenfield](#) on April 29th, 2010 at 5:34 pm

Filmmaker Wolfgang Busch brought his new doc to life (and raised funds for its completion) at the Center last week, with a lotta help from his friends - an incredibly talented bunch of fanners, flaggers and “floguers,” or elegant, fast-moving creatures who combine voguing and flagging to provide yet another form of colorful dance-floor magic. Check out the beauty! And watch for the film, sure to be a stunner.
